**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I refuse to do business with ATT, Verizon, Comcast, etc. , because of the way they do business!
Very bad service, raising rates with no notice until you call and they offer a different plan.

When we had few providers there was no incentive to provide high quality service for reasonable prices. It is critical for the 21st century and new startups to have broadband access. Please vote yes for competition. That is the strength of America!

Please do not take actions that eliminate the smaller carriers ability to do business. We already pay more than any other advanced nation for worse service and slower speeds, do not make it worse!

Respectfully yours,

Al Russcol
